ABOUT ME

An energetic and enthusiastic university BA graduate working for the SE Software Engineering at Private Zarqa University. Aiming to use my knowledge that I have acquired from my coursework as well as self study and with my hard work to satisfy my internship at your organization and also willing to learn more from this internship. I'm proud of myself and what I've accomplished and what I'm going to do in the future.

SKILLS

EDUCATION

Zarqa Privte University

The best years of my life with friends. within 3 and a half years of university. Graded good.

Abdul Aziz Al Ghurair Advanced Computing ASAC

So far I've met with awesome people, great instructors and had so much fun.

EXPERIENCE

Web Developer Trainee 2020-Present

Trained to be a web developer using ASP.NET MVC. I worked on the accounting and car rental modules as part of ERP system.

The Mood Converter 202-Present

We've made a website that tests your depression level and suggests to you things you should do to feel better. check it out:
